

SPOT Upgrade Notes – 20-08-2018

#	Change	Roles with new function	Reference sheets updated	What it looks like																	
1.	<p>NEW FEATURE New Button icon to determine a user's status:</p> <p>1. Disable – The user is disabled by an admin 2. Active – The user can login and complete assigned role. 3. Locked/Timed Out – The user has been locked out due to an overnight data cleanse and meets the criteria to be locked out based on last login date.</p>	Admin	ARef-016 – How to Enable/Disable Users																		
2.	<p>NEW FEATURE New Button icon to copy a previous placement request:</p> <p>Users with an education provider role will be able to copy a previously submitted request to submit/alter for approval.</p>	Education Provider	EPreF-01 – Creating a Placement Request	See below																	
	<table border="1"> <tr> <td>211</td> <td>Mater Education</td> <td>Mater Hospital</td> <td>Bachelor of Nursing</td> <td>1</td> <td>1</td> <td>01/07/2018</td> <td>31/08/2018</td> <td>12</td> <td>120</td> <td>31/07/2018</td> <td>—</td> <td>Pending</td> <td>Approve or deny the request</td> <td>View</td> <td>Cancel</td> <td>Copy</td> </tr> </table>				211	Mater Education	Mater Hospital	Bachelor of Nursing	1	1	01/07/2018	31/08/2018	12	120	31/07/2018	—	Pending	Approve or deny the request	View	Cancel	Copy
211	Mater Education	Mater Hospital	Bachelor of Nursing	1	1	01/07/2018	31/08/2018	12	120	31/07/2018	—	Pending	Approve or deny the request	View	Cancel	Copy					
3.	<p>IMPROVEMENT Fixed an issue that sometimes caused active students to not be able to view rostered shifts.</p>																				
4.	<p>IMPROVEMENT Fixed the link to the SPOT web address when director receives pending placement request for review.</p>																				

5.	<p>IMPROVEMENT Fixed an issue that sometimes caused total hours per student to appear instead of total hours in “Assign students to placement areas” screen.</p>
6.	<p>IMPROVEMENT Fixed an issue that sometimes caused time disabled user’s student details not being able to be viewed.</p>
7.	<p>IMPROVEMENT Fixed an issue that sometimes meant you could add a disabled facilitator to a placement request.</p>
8.	<p>IMPROVEMENT Fixed an issue that sometimes meant as a user with the combination Director and Education Provider roles attempted to edit a placement request for a particular Education Provider that you didn’t have Education Provider permissions to access the Education Provider field would revert to the first Education Provider listed alphabetically.</p>
9.	<p>IMPROVEMENT Added a link to “Welcome to SPOT email” to direct new users to the SPOT login page - https://spotapp.com.au/login</p>
10.	<p>IMPROVEMENT Added the option for a director to “save and accept” placement requests on the allocations tab when reviewing a pending placement request.</p>
11.	<p>IMPROVEMENT Added education provider, discipline and program as visible fields to students without a placement.</p>
12.	<p>IMPROVEMENT Added additional course options for an education provider to select in the placement request form.</p>
